SASSI Online is a web-based system for the administration and scoring of SASSI questionnaires which provides narrative reports on client screening results. Through your secure workspace, backed by our Security Commitment, SASSI Online enables you to order and administer questionnaires, receive immediate scoring of clients' responses, and review client results and profile reports, all using a standard web browser and an internet connection.

**Available Questionnaires: Adult SASSI-4, Adolescent SASSI-A3, and Spanish SASSI**

**SASSI Online benefits include:**

**Multiple Delivery Options** – Immediate access that allows the client to enter their responses, through an emailed link or while in the counselor's office. Our paper delivery option allows questionnaires to be downloaded, printed, and given to the client to complete. Once complete, the counselor enters the responses into an entry form.

**Web Accessible & Compatible** – Supports almost all common browsers, and devices including tablets & smartphones.

**Immediate Results** - Decision rule outcome, a graph of the client's scale scores, and a narrative report on the client's SASSI scores are available as soon as the responses are submitted.

**Flexible Purchase Options** – SASSI Online is our only format that allows single license purchasing.

**SASSI to Go** - A small user-friendly application that is downloaded to a laptop or thumb drive, then assessments are administered to clients with or without an Internet connection. Once a computer with Internet connection becomes available, upload those assessments to SASSI Online to view the client reports.

**Free Clinical Support from our amazing Clinical team and expert Technical Support from our friendly Customer Service team.**

**Pricing for Online Administration are as follows:**

Quantity	Price Per Administration
1-9	\$14.00
10-24	\$11.00
25-49	\$9.50
50-99	\$9.25
100-499	\$8.00
500-999	\$7.25
1000+	\$6.15
